3. HINES APPLICATION ADDENDUM (available on our webpage)

Please submit this form to the Supplemental Materials section of the AAPI Online Application.

4. PERSONAL INTERVIEW BY INVITATION

Notifications for January interviews are emailed by December 15.  
(If you are an applicant who needs to make airline reservations or other accommodations before December 15, please make sure all application materials are in our hands at least one week before our deadline. In addition, in your cover letter, request an early review of your completed file, and the date by which you need to know our decision for an interview.)
